Sir:

**REQUEST FOR CONSIDERATION OF REFERENCES FILED IN AN
INFORMATION DISCLOSURE STATEMENT**

On April 6, 2004, Applicant filed the attached IDS and PTO-1449 form. In that 1449 form, several foreign patents and patent application references were cited along with an International Search Report. In that IDS, the parent case, U.S. Patent Application Serial No. 10/805,200, filed on February 26, 2002, and relied on for an earlier effective date under 35 U.S.C. §120, is properly identified. Copies of the foreign references were submitted in the earlier application in an IDS and that earlier IDS complied with paragraphs A-C of 35 C.F.R. §1.99. Therefore, under §1.99(d), a copy of those patent or publications was not necessary as the earlier application was

properly identified, as relief upon under 35 U.S.C. §120, and the earlier IDS complied with the paragraphs of §1.99(d).

Accordingly, Applicant is not formerly required to submit copies. However, in the interest of expediting the process, the Applicant forwards such documents for the Examiner's review.

Therefore, the Applicant requests that the appropriate PTO-1449 form attached hereto be initialed and faxed back to the Applicant at the fax number listed below so that the Issue Fee may be paid.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
